The screenshot displays the Blogger Dashboard interface. On the left is a sidebar with navigation options: MCP, NEW POST, Posts, Stats, Comments, Earnings, Pages, Layout, Theme, Settings, and Reading List. At the bottom of the sidebar are links for Terms of Service, Privacy, and Content Policy. The main area features a search bar at the top with the text 'Search posts'. Below it, a filter dropdown shows 'All (5)'. A 'MANAGE' button is located in the top right of the post list. The post list contains five entries, each with a large initial letter, a title, a publication status and date, tags, the author's name 'Rohit Bagal', and share icons. The posts are: 1.
